- Optional drop in sear burner (TF-IRB)

#304 Stainless Steel Construction

TrueFlame grills are constructed of the highest quality #304 stainless steel, adding a luxurious sheen and elegant touch to your backyard. This premium material is highly resistant to rust, discoloration, and wear, ensuring that your grill looks great and performs reliably for years to come.

Interior & Exterior Lighting

Two interior halogen lights help illuminate the expansive grilling surface, while a full-length LED strip gives maximum front panel visibility. The knobs feature a backlit ON/OFF indication light, so you can easily and safely see which burners are ignited.

Square Cooking Grates

Heavy-duty square cooking grates increase the contact surface with your food, offering beautiful grill lines and bolstering the flavor profile. These cooking grids are stainless steel, making them long-lasting and easy to clean.

Multi-Position Hood Hinge

The balanced, multi-position hood hinge allows you to open your hood to any degree, gaining access to your food without losing too heat—plus, the knurled finish of the stainless steel hood handle provides extra grip when lifting the hood.

14,000 BTU Cast Stainless Burners

A trusted Flame-Thrower Ignition mechanism ignites 14,000 BTU cast stainless burners, supplying incredible heat for searing and grilling. These burners are cast from #304 stainless steel, ensuring a longevity, durability, and performance.

IR Back Burner & Rotisserie Kit

The 32" and 40" models feature a 10,000 BTU Infrared Back Burner with an optional Rotisserie Kit, allowing you to enjoy perfectly cooked, juicy meats as they slowly turn on the spit, infusing them with delicious flavor and an irresistible aroma.

Warming Rack with Cooking Tray

A full-length, stainless steel warming rack not only adds to the useable cooking surface of your grill, but also features an inset, removable stainless steel tray for cooking vegetables, searing, roasting, and more.

#304 Stainless Steel Flame Tamers

The #304 stainless steel flame tamers / burner covers are designed to provide superior protection and durability to your grill's burners, while also distributing heat and vaporizing drippings. They are easy to remove and install, making it effortless to maintain the quality and cleanliness of your grill.

Freestanding Carts

TrueFlame's premium grill carts offer an alternative solution to outdoor dining. Durable and sleek, these stainless steel carts feature soft close drawers, propane tank storage, and collapsible shelving.

TrueFlame Deluxe Grill Cart

TrueFlame Built-In Gas Griddle

Explore new flavors with the premium 30" Gas Griddle Grill. This #304 stainless steel, heavy-duty flat top grill is the perfect addition to your outdoor kitchen, diversifying your menu, and adding a host of new flavors. The expansive, 495-square-inch cooking surface is made of half-inch thick steel, powered by two 18,000 BTU U-Tube burners below. The combined 36,000 BTUs of power guaranty searing heat, perfect for steaks, burgers, carne asada, eggs, pancakes, and more. The full-size, #304 stainless steel cover ensures your griddle plate is protected from the elements and always ready for the next meal. Fire up the Gas Griddle and take your culinary experiences to new heights.

Vent Hoods

Protect your outdoor kitchen with our commercial-grade Vent Hoods. Many BBQ Islands and outdoor kitchens are made under a pergola or porch. A vent hood provides the protection you need to ensure a safe and reliable entertaining space for years to come. Each Vent Hood features durable double-lined #304 stainless steel construction for maximum strength and protection, stainless steel top/side mounting ducting, and a matching sleek design. The Vent Hood not only protects your outdoor kitchen but also protects the chassis of your built-in grill from corrosion, adding to the longevity of your grill. Use TrueFlame Vent Hoods to make your outdoor kitchen a safe and entertaining space for your family and friends to enjoy.

GOLD STANDARD WARRANTY

Your investment in TrueFlame products is backed by the strongest warranty in the industry. In addition to precision engineering and outstanding performance, TrueFlame products include our GOLD STANDARD LIFETIME WARRANTY with all replacement parts 100% non-prorated. Effective with purchases as of 3/1/23.

TrueFlame Warranty is valid for original purchaser at original site of delivery with proof of purchase and photo documentation only. Registration form must be submitted online within 30 days of the purchase date to validate the warranty. Warranty is void upon transfer of ownership. Warranty does not apply to products installed in any commercial, rental, or nonresidential application that have not maintained proper upkeep. Warranty covers replacement parts only. Manufacturer is not responsible for labor or labor-related costs. Warranty does not cover discoloration, surface rust, corrosion, or oxidation, which may occur due to harsh environments, chemicals, or overheating. Warranty will not apply for damage resulting from improper installations, abuse, extreme environments, grease fires, or misuse. Proof of regular and proper maintenance is required. Coastal, humid, and/or salt environments are subject to manufacturer review. All out-of-box claims must be made within 30 days of purchase and must be made prior to installation. Any product installed damaged will be considered damaged during installation and not covered under warranty. Warranty and registration forms are available at www.amddirect.com/register. Please be advised - all display models are sold "as is" and the warranty covers the following items only: main burners (Gold Standard Lifetime Warranty), grates (Gold Standard Lifetime Warranty), burner covers (Gold Standard Lifetime Warranty). All warranties are subject to the review and approval of the manufacturer.
